FOR FORGIVENESS OF AN ABORTION DOCTOR

(FOR THOSE WHO HAVE HAD AN ABORTION):

Father, I come to You in the Name of Your Son and my Lord, Jesus Christ. I had no idea the depth of pain that having an abortion would cause; of the lingering guilt, shame and self-loathing. I am asking You to forgive me and cleanse me because Your word says in 1 John 1:9 that if I confess my sins that You are faithful to forgive me of ALL unrighteousness and to cleanse me from ALL sin; this includes abortion. I want to be free from the shame and guilt of the abortion. I will walk by faith and not by what I feel, believing what You said. I rebuke and renounce all accusations about my past that the enemy brings up to hinder me from walking in victory and to keep me from ministering to the needs of others, telling me that I am not worthy. My faith is in You alone and Your Holy Word, so by faith I accept my forgiveness and cleansing from this sin once and for all. Thank You, Father, for Your compassion toward me.

My prayer now is that You will have mercy and compassion on Dr. _____ who performed this abortion. I forgive him/her for this abortion. I pray that You will regenerate his/her heart according to Ezekiel 36:26, removing the veil of deception from his/her eyes, giving him/her a tenderized heart that is permeable and ready to receive the seed of truth. I pray that You will send an effective witness into his/her path. I thank You for loving me to life and giving me the gift of mercy and compassion to stand in the gap for Dr. _____ that he/she might be spared from eternal destruction. I acknowledge that salvation is for ALL who will place their faith in Jesus Christ, for everyone who believes no matter who we are according to Romans 3:22. You showed Your great love for Dr. _____ by sending Christ to die for him/her while he/she was still in his/her sin. I pray that Dr. _____ will acknowledge his/her sin and turn to You for forgiveness, believing in the finished work of Jesus Christ at Calvary, receiving Him as Lord. I pray that he/she will cease performing abortions and acknowledge that all life has value from conception to natural death, returning to his/her oath as a physician to heal and not harm. I pray that all deception in his/her mind would be demolished and removed in Jesus' Name. Destroy the schemes and plans of all dark forces that are coming against Dr. _____ now in Jesus' Name. Wake him/her up, Lord, breathing new life and purpose into him/her, resurrecting his/her soul and spirit. Expose all deceit and darkness by the light of Your Holy Spirit. Bring Your truth into his/her life now in Jesus' Name. I pray that others who work for and with him/her would see abortion as injustice and come to the foot of the cross, receiving forgiveness and believing the truth. I believe that You will save Dr. _____ because You are a good Father and Your desire is that none would perish. May You alone be glorified by his/her conversion and transition from the abortion industry. In the mighty and all-powerful Name of Jesus Christ. AMEN
