

Prayer

FOR FORMER ABORTION WORKERS (THOSE WHO HAVE LEFT THE INDUSTRY):

Father, I come to You on behalf of every former abortion worker who has left the abortion industry. I come to you in the Name of Jesus and based solely on His redemptive work at Calvary. I pray for the spouse and family including the children of these workers, that you would keep them and protect them. Help them to train up their children in the way they should go so that as they mature they won't depart from the path You have set for them. I pray for their marriages and stand on Your word that what You have brought together that nothing can tear apart. I pray for unity in their house that they can withstand. I pray that the husband would love his wife unconditionally and the wife would respect her husband unconditionally and there would be no division among them.

I thank You that You have called them out of darkness into Your wonderful light and that through their testimony others will see the goodness of God! Order Your angels to protect this family wherever they go. I pray that their faith would increase daily. I pray for hope to rise up inside of them. I bind the spirit of fear right now in Jesus' Name. I loose love, power and a sound mind upon these workers in Jesus Name. My weapons are mighty in God and I bind reasoning, logic, vain imaginations, false arguments, doubt, and rebellious thoughts in Jesus' Name. I take these thoughts captive as Your word says and I tear down the walls that the enemy has put up in their minds to keep them from knowing God and seeing and hearing the truth. I thank you that they are being transformed into a new person by changing the way they think. I bind condemnation right now in Jesus' Name for there is no condemnation for those who belong to You.

Thank You, Holy Spirit for giving these workers and their families LIFE which frees them from the power of sin and death. Don't let them be disgraced, Lord. Remove all fear and shame according to Isaiah 54:4 and cast all their sorrows away. I thank You that You are Redeemer, Lord Jesus and it is through Your redemptive work that we are forgiven and can forgive others. Lord, let no weapon that is manufactured to come against these workers prosper and Lord, silence their accusers! The enemy has come to steal, kill and destroy but Jesus Christ came to give them abundant life. I cancel every assignment that the enemy has marked for their lives, the lives of their family and their children. All these things I pray in the Name of Jesus Christ. AMEN! ¹
