

Prayer

FOR PRO-LIFE LEADERS & SIDEWALK ADVOCATES

(AND ALL RELATED MINISTRIES):

Father, I come to You in the Name of my Lord Jesus Christ. My prayer is that all who have made the decision to stand up for life and speak for the unborn would have influence. I pray for unity among us that we would be humble, patient and gentle making allowance for each other's faults because of our love. I pray that we will be united in spirit and bound together with peace. I pray that we would trust in You, Lord and not lean on our own understanding, seeking Your will in all that we do so that You will show us the way. Justice comes from You Lord and we are seeking Your wisdom and strength. We acknowledge You as Lord of our lives and seek You above all else. Give us grace to make us strong where we are weak, Lord. Put words in our mouths and speak through us Holy Spirit. Show us mysteries and unknown things, remarkable secrets and things once hidden, for Your glory. Mark out a straight path for our feet and don't let us get tired of doing good. We know that we will reap what we sow and we are sowing seeds of righteousness to reap a crop of love. Help us to walk with integrity and to honor You and acknowledge You in all that we do giving You glory. May we experience such perfect unity that the world will know that we are sent by You. Let our love for one another prove that we are disciples of Jesus Christ.

I bind all division and dissension among us right now in Jesus' Name. I thank You Lord that You have brought us together for one purpose. I pray a hedge of protection around us and command Your ministering angels to go before us. I cancel all assignments among the ranks of the enemy that he has marked for us and I abort his plans. I pray all of these things according to Your will and Your Word in the mighty Name of Jesus Christ. AMEN¹
